Re: Notice of Oral *Ex Parte* Communication
GN Docket No. 09-191, WC Docket No. 07-52

Dear Ms. Dortch:

On December 1, I spoke via telephone with Margaret McCarthy, Policy Advisor, Wireline, for Commissioner Michael Copps. This notice is submitted in compliance with Section 1.1206(b) of the Commission's Rules.

I set out Public Knowledge's concerns about the Commission's recently circulated rules and order in the above referenced dockets. These concerns were based largely upon press reports and the Chairman's December 1 speech. I urged that the Commission strengthen the rules and the order in three ways: 1) adopt the definition of broadband Internet access service proposed in the Commission's Notice of Proposed Rulemaking in the above dockets; 2) ensure that wireline and wireless Internet access is regulated similarly, with a possible technological or time-limited glide path to full non-discrimination; and 3) make clear that paid prioritization is presumptively unreasonable.

Sincerely,

Gigi B. Sohn
President
